

St. John's will be holding a winter coat drive once again this year. We will begin collecting items on November 1 and will continue through December. We are looking for new and gently used men's, women's and children's winter coats. We will also take winter apparel and toiletry items.

Items may be dropped off during church office hours  
Monday-Thursday 9 a.m. - 2 p.m. or on Sunday mornings before or after  
worship.

Thank you for your generosity!
